November 17, 2009

Dear Friends and Supporting Churches,

What a great and productive year this has been. After 19 years in evangelism, God has allowed us to be more productive in every aspect. I praise the LORD for all He has allowed us to accomplish and see this year.

Our schedule for 2009 was the busiest schedule I have had since I started in evangelism. We have been in over 50 meetings this year with most of them being several day meetings. We have had more professions of faith and baptisms than we have had in previous years with over a 150 saved through personal soul winning. What a great year this has been!

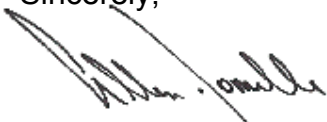

This of course was the first year of the Old Paths Journal. We started the Journal in February and have seen the volume of readers increase on a monthly basis. The daily devotionals that we send out have grown well beyond my expectations. We currently email over 78,000 devotionals a month. I praise the LORD for how He has blessed this part of my ministry.

I look forward to 2010. The schedule is already filled to which I am very grateful. I have watched many evangelists struggle to keep their calendar filled, and for some reason God continues to use me and keep me busy. Thanks be to God!

Please pray for a couple of needs that we currently have. We need to raise \$2000 for advertising. I would like to advertise the Old Paths Journal in other Christian publications, but until the funds come in for that we will not be able to do so. One other need is for another printer. Our current printer is getting old and needs to be replaced. We have had it for several years and it has run its course. Right now we are looking at an all-in-one color laser printer that would meet our needs that is priced at \$999. Please pray that God would supply these needs that we have.

Let me thank you for your prayers and support throughout this year. Your help and friendship has been appreciated more than words can express. Please continue to keep us in your prayers that God would continue to bless the ministry and meet our financial needs.

Sincerely,

Allen Domelle
Evangelist
